SILICONE SPRAY

BOSS[®]614

Foam Release is a professional grade silicone lubricant designed to prevent spray foam from sticking to treated surfaces. Our proprietary formulation of silicone, propellants, and fast-evaporating solvents allows for a fine-mist spray pattern and even distribution which prevents spray foam from sticking to treated surfaces. **BOSS[®]614** is a dry-film lubricant highly effective for waterproofing and corrosion prevention. **BOSS[®]614** is suitable for metal, plastic rubber, vinyl, leather, wood, and polycarbonate respirator face shields.

COLORS:**Aerosol Can**

171663 - Clear

FEATURES:

- VOC Compliant
- Professional Grade
- Easy removal of Over Spray
- Fast and Easy Clean Up
- Non-staining
- Non-Corrosive
- Eliminates Sticking, binding, and squeaks
- Fast and easy clean up of pre-treated areas.
- Easily remove spray foam over spray
- 360° application

THE IDEAL SEALANT/ADHESIVE FOR:

- Protect your Polycarbonate Face Shield
- Protect sensitive areas from overspray.
- Light lubrication of metals, plastics and rubbers
- Creates a water-repellent layer on electric wiring of cars, engines, lawn mowers, etc.
- Gives plastics and rubber a glossy finish

PACKAGING:

- 10.25 oz. aerosol can
