

CARB & CHOKE CLEANER PART NO. 143540

PHYSICAL PROPERTIES

Physical State	Aerosol
Color/Appearance	Clear liquid
Odor	Solvent odor
Specific Gravity	0.74
Boiling/Cond. Point	>100°F
Solubility	Insoluble in water
Evaporation Rate	>1.00 (BuAc=1)
Percent Volatile	44.8%
NFPA Flammability Rating.....	4*

***Highly Flammable**

DESCRIPTION

Dynatex® Carb & Choke Cleaner is a blend of solvents specifically formulated to dissolve and remove varnish, gum sludge and clean the residue deposited on carburetors and chokes during the normal operation of a motor vehicle or other gasoline engine powered equipment.

FEATURES

- Super jet spray cuts and removes grease and varnish
- Oxygen sensor safe
- Improves engine performance
- VOC Compliant
- Tested in accordance to 75/324/EEC Directive 6.1

TYPICAL APPLICATIONS

- Carburetors
- Manual and automatic chokes
- Linkages
- Heat risers
- PCV valves

DIRECTIONS FOR USE:

GENERAL: Shut off engine while spraying product. For pinpoint application, insert extension tube firmly into spray button. Hold can upright and press firmly on spray button to apply product. **If spray gets on paint or plastic, flush off immediately with water to avoid damage.**

CARBURETORS, CHOKES & LINKAGES: Remove air cleaner. Spray and flush exterior surface of carburetor and linkages, and allow to dry (approx. 30 minutes). When dry, start engine and spray short bursts into carburetor throat, flushing automatic choke valve and throttle (butterfly) plates. If engine stalls, stop spraying and restart it. Increase engine speed slightly until all liquid is drawn off, and then replace air cleaner.

PCV VALVES: Disconnect crankcase side of PCV valve. Insert extension tube into open end of valve unit and spray a small amount of product inside. Shake unit several times to make sure check valve is loose. Start engine and again spray into valve several times to completely flush it out. Reconnect PCV valve.

Packaging

Colors: Clear

Size: 12 Oz Net Aerosol

GENERAL INFORMATION

This product is not recommended for use in pure oxygen environments and/or oxygen rich systems and should not be selected for use with chlorine or other strong oxidizing materials.

For safe handling information on this product, consult the Material Safety Data Sheet.

STORAGE AND SHELF LIFE

Dynatex® Carb & Choke Cleaner should ideally be stored in a cool, dry location in unopened containers at a temperature between 46°F (8°C) to 82°F (28°C) unless otherwise labeled. DO NOT store within 1 meter (4 feet) of roofline of the warehouse or storage building. Store in accordance with NFPA 30B for level 3 aerosols. *Dynatex® Carb & Choke Cleaner* has a shelf life of 18 months from date of shipment

Contents under pressure. Do not smoke while using or use near open flame. Container may explode if heated in any manner. Protect from sunlight and do not expose to temperatures exceeding 122°F (50°C). Do not pierce or burn container, even after use. Do not spray on a naked flame and any incandescent material. **DO NOT SMOKE WHILE USING THIS PRODUCT.**

USERS PLEASE READ

The information and data contained herein is believed to be accurate and reliable; however, it is the user's responsibility to determine suitability of use. Since the supplier cannot know all the uses, or the conditions of use to which these products may be exposed, no warranties concerning the fitness or suitability for a particular use or purpose are made.

It is the user's responsibility to thoroughly test any proposed use of our products and independently conclude satisfactory performance in the application.

Likewise, if the application, product specifications or manner in which our products are used requires government approval or clearance, it is the sole responsibility of the user to obtain sure authorization.

Non-warranty: Because the storage, handling and application of the material is beyond Dynatex control, we can accept no liability for the results obtained. Dynatex sole limited warranty is the product meets the manufacturing specifications in effect at time of shipment. There is no warranty of merchantability or fitness for use, nor any other express or implied warranty. Dynatex will not be liable for incidental or consequential damages of any kind. The exclusive remedy for breach of such limited warranty is a refund of purchase price or replacement of any product shown to be other than as warranted.

Suggestions of uses should not be taken as inducements to infringe any patents.
